HONGKONG, APRIL 10TH, 1804. THE conversion of the foor per cent. de hentures into three-hud-a half per cent. inscribed stock will result in an annual saving the chief engineer, on behalf of the crew, bad to the Colony of £700 a year or, at the pre- third of the purchase munoy on the fall of the sent rate of exchange, \$7,000. The saving is hamdier!

not very considerable, but is worth making. "terest at a rate not exceeding four and-ahalf por centum per annum payable half signature not only to members of the Chamber from their quiforms Etook them to be American yearly, and shall be paid off at par at uny time after the expiration of five years, but "not later than twenty years from the date of issue." The loan was for £200,000 and was issued at four per cent. The notice now issued by the Crown Agents states that 2140,000 of the debentures may be converted into three and a half per conts and that the four per cents will be paid off in 7.20 7.92 September next. The loan of last year was 9.61 10.44 issued at three-and-a-half per cent and as it stands at a premium on the London. market there is little doubt that 21.00 22.20 the bolders of the four per cents will Our Clarets, including the lowest priced, are accept the conversion scheme rather than be paid off; but if they select the latter alternative the Government is in a position to pay the amount required, as it has still in band in London almost the whole of last years loan. Too latter was issued not in the form of debentures, but inscribed stock; Ordinance I of 1893 providing that all future the oredit of next necessat. louns should be issued in that form. The holders of the debentures who avail them-

selves of the option of conversion will there-

fore have the advantage of a higher form of

The Crown Agents in their advertisement respecting the conversion issued the following onution :- "The revenues of the Colony of Hongkong alone are liable in respect of the above stock and the dividends thereon, and the Consolidated Fund of the United Kingdom and the Commissioners of Her Majesty's Treasury are not directly or indirectly, hable or responsible for the payment of the stock or dividends thereon, or for any matter "relating thereto. Art 40 and 41 Vict., cap. 59." No doubt the Colony will be able to discharge its liabilities, and should occasion. require it might safely venture to extend its ROYAD HONGKONG YAUHT CLUE. borrowings, but, if the home authorities think it necessary so obtrusively to disclaim All our Brandy is guaranteed to be pure responsibility it would only be reasonable that they should refrain from dictating the form in which the loan, if any further loan he required, should We only guarantee our Wines and Spirits to be issued. If the colony prefers to horrow Colony or from our authorised Agents at the in local currency instead of gambling in exchange there is no reason why it should not be allowed to do so, but in respect of Per dos. Case both the previous loans, although local opinion was emphatically in favour of their issue in silver, and the strongest arguments were put forward-in-fuvour of that course, the colony was compelled to borrow in gold, at a loss, as regards the first loan, of 1s. 2d. in the dollar, and as regards the second of 8d, in the dollar, taking exchange limit of the loss remains to be seen. If exchange should fall, as some predict; to le 64 it would mean that the Colony would have to repay somewhere in the neighbourhood of two dollars for every one borrowed "At present, however there seems some to be deterred by the howness of price from reason to think that silver has at last touched bottom, though this supposition may prove as fallacious as previous ones of a like character. If exchange should go up of course the loss would be reduced, but whatever the course of exchange may be the Co-Per 40s Cus long ought to profit by its past experience

The British stoam sealing schooner Werlock recently put up for sale by public anotion at Yokohama and withdrawn at \$6,400; owing to the reserve exceeding that amount was again put up for sale on the 29th uit, and sold to Capt Martin for \$5,200 thus diowing a loss of \$1,200 on the previous offer. A bid of \$8,000, made by,

Chambers of Europa and America, oven for mon standing at the other and of the bur and but to the entire foreign community of Yoko- sailors. One of themoves having a dispute with hama (and if thought advisable to those of Tokko) the second defendant and another bar boy. Il assuring the London Chamber of sympathy and, took off his coat and the second defendant look as far as presible, co-operation in any represents; a chair to defend himself. In the row which wa-British Government having for its object the with a heavy piece of wood and struck the de-re-opening of the Brusseis Monetary Conference, ceased, who had fallen on the ground with the and, it is to be hoped, consequent rehabilitation boys on the top of him, a blow on the side of the

Directors of the Yekohama Specie Bank shows him and then a general meles took place, the gross profits for the half year, including you whole three falling on the floor. When the ing to yen 1,359,102. From this, however, has the second officer of the Fatshan, the defendants, been deducted yen. 809,903 for current expenses, and two other boys who were behind the bar. The interest on deposits. &c., and yen 80,000 to pro. deceased was bleeding from his nose and ears and vision for doubtful debts, leaving a balance of yen mouth and a little from one eye. The decoased's 4 9.189, out of which yen 44.651 has been written head did not strike the finder: I did not see off for officials' remuneration. The Directors now the third boy do snything, although he came out Funds increasing its total to you 3,514,300, and atruck Mr. Tuckier carns in by the door behind that yen 30,000 be reserved for the new building the counter. I pointed out the first defendant dioted may cause an impression not quite corcontemplated; and out of the remainder they as the boy who struck the man. The second rect. When you say that there no league exist recommend a dividend at the remainder they recommend a dividend at the rate of fourteen defendant was standing outside the bar per cent. per adunm, which will absorb yen 210,000 on the old shares, and yen 105,000 on the ant and we were quite close together when we new shares, making a total of yen 315,000. The got to the Indian watebman. The boy said balance, you 34.548, will be carried forward to something to the ledian and in consequence

"Thore have been fifty foreign sealing vessels in Japanese waters this year, says the Tokyo Asahi Shimbun, "and their take has averaged thirty thousand you each, which means an agsecurity not liable to be paid off for fifty gregate of ly million yen. Seals bear young growth before their fur is worth anything. Hence it will be seen that at this rate the seas of Japan will soon be denuded of saals altogather." We (Japan Mail) can understand and sympathise with the desire of the Japanese to institute some proper control of seal fishing in this empire's waters, but nothing is to be gained by exaggerating the facts of the case. It is obviously beyond the mark to speak of fifty soulers capturing thirty thousand gen worth each; probably the augregate does not exceed one half of that amount. Besides, Japanese journals are too apt to ass me There is nothing to prove that. On the contrury, since the wajority of the vessels coming to the East for sealing purposes now confine themselves to pelagio operations, it is more than likely that they take very few seals in Japaness waters.

provailed at the time. Erants proved how another boy had done it. wrong they were, for at no time of the day was Thomas Gilblirist, sworn, said-I am third a roof oither necessary or desirable.
